

Press conference at Kicevo

Local press conference was organized in Kicevo in order to present the six months monitoring reports and inform the community about the rights of ethnic minorities in this region. The local monitoring team from Kicevo held the press-conference in the premises of NGO Support Center Kicevo on the basis of the monitoring results received during January – June, 2008. Prior to their public presentation, monitoring results and recommendations were communicated to relevant institutions.

Journalists from TV Gura, TV Uskana, MRTV 2, MIA, Kanal 77, Dnevnik and Koha attended the press-conference. Within the press-conference monitoring results for the region of Kicevo, Vranestica and Drugovo were presented.
