

Training at Veles

Training on the topic *Building partnership and networking* was delivered by two experts – Mario Veljkovic and Fatmir Saracini for Skopje region. It was realized on 27th and 28th September, 2008. The training contained topics such as partnership, introduction and analysis of possible partners (NGO, Municipality, and institutions), networking and coalition building, decision making, administration and public relations of networks/coalition, action plan for networks/coalition, partnerships for lobbying and advocacy, building partnership with media.

On this training, organized by the partner organization „Common Values”, 35 participants of LG, institutions and NGOs from Skopje and Tetovo participated. Participants engaged themselves intensively in a positive atmosphere within all sessions. They were active, creative and gave constructive suggestions in the fulfilment of their tasks. Participants were satisfied from the training, which was demonstrated in the evaluation lists.
